A. Definition

The term "Confidential Information" shall mean any and all information which is disclosed by either party ("Owner") to the other ("Recipient") verbally, electronically, visually, or in written or other tangible form which is either identified or should be reasonably understood to be confidential or proprietary. Confidential Information may include, but not be limited to, trade secrets, computer programs, software, documentation, formulas, data, inventions, techniques, marketing plans, strategies, forecasts, customer lists, employee information, financial information, confidential information concerning Owner's past, current, or possible future products or methods, including information about Owner's research, development, engineering, purchasing, manufacturing, accounting, marketing, selling, leasing, and/or software (including third party software).

Owner's Confidential Information shall be treated as strictly confidential by Recipient and shall not be disclosed by Recipient to any third party except to those third parties operating under non-disclosure

provisions no less restrictive than those in this Section and who have a justified business “need to know.” This Agreement imposes no obligation upon the parties with respect to Confidential Information which either party can establish by legally sufficient evidence: (a) was in the possession of, or was rightfully known by the Recipient without an obligation to maintain its confidentiality prior to receipt from Owner; (b) is or becomes generally known to the public without violation of this Agreement; (c) is obtained by Recipient in good faith from a third party having the right to disclose it without an obligation of confidentiality; (d) is independently developed by Recipient without the participation of individuals who have had access to the Confidential Information; or (e) is required to be disclosed by governmental or judicial order or applicable law provided notice is promptly given to the Owner and provided further that diligent efforts are undertaken to limit disclosure.

C. Confidentiality of OSC Information

In connection with the Services, the Contractor and its Staff may view or have access to Confidential Information owned by OSC. Confidential Information shall include, but not be limited to:

- Personal information about individuals, e.g., home addresses, home telephone numbers, social security numbers, payroll information, account numbers, health status;

- To abide by all OSC and State confidentiality policies and procedures;
- That all reports and other materials, preliminary, final and otherwise, prepared for or relating to Services (other than Contractor’s work papers) shall be treated at all times as Confidential Information by the Contractor;

The Contractor and its Staff shall be required to comply with all applicable facility and information security policies, standards, and procedures, including any training required, both present and future, by OSC in performing the Services.

The Contractor may not connect any non-OSC computer, electronic storage device or telecommunications equipment to OSC’s network. Personal and corporate laptop computers, personal and corporate USB devices, smartphones, and tablets are included in this prohibition.

Where performance of Services involves use by the Contractor of State-owned or licensed, or OSC-owned or licensed, papers, files, computer disks or other electronic storage devices, data, or records at OSC or State facilities or offices, the Contractor shall not remove such records therefrom without the prior written

approval from an authorized representative of OSC.

E. Background Investigations

OSC policy requires that background investigations be conducted on Contractor Staff who will have access to OSC's IT systems, access to OSC confidential information/data, or routine access to any OSC facility. For purposes of this policy, "routine access" is defined as access to an OSC facility for five consecutive business days or 10 business days over the annual term of the engagement. Accordingly, with the signing of this Agreement, the Contractor certifies that it has or will conduct a background investigation on Staff to whom the policy applies within the 12 months prior to the Staff commencing Services under this Agreement. - references.

The Contractor must obtain the consent of its Staff to allow OSC, upon request: (i) to review the background investigation records, including all supporting documentation, and (ii) to conduct its own background investigation.

Only Staff who have passed the background investigation, and provided such consent shall be assigned to provide Services to OSC under this Agreement. During the term of the Agreement, and in accordance with Appendix A (Section 10, Records), the Contractor must maintain records related to the background investigations performed.

The parties shall use reasonable efforts to eliminate or minimize the effect of such force majeure events upon performance of their respective duties under this Agreement. If such event continues for more than 90 days, either party may terminate all or any agreed upon portion of the Agreement immediately upon written notice. This section does not excuse either party's obligation to take reasonable steps to follow its normal disaster recovery procedures, or OSC's obligation to pay for Services provided by the Contractor which have been approved by OSC.
- B.** The Contractor shall be fully liable for any act or omission of the Contractor and its Staff and shall fully indemnify, defend, and hold harmless OSC and the State, their officials, agents, and employees, without limitation, from suits, actions, damages, and costs of every name and description (including reasonable attorneys' fees and expenses) arising from any act or omission of the Contractor or its Staff, including bodily or personal injury (including wrongful death); damage to real or tangible personal property (including electronic systems, software and databases); damage to intellectual property; and infringement or violation of a third party's patent, copyright, license, or other proprietary or intellectual property right; provided however that the Contractor shall not be obligated to indemnify OSC for that portion of any claim, loss, or damage arising hereunder due to the negligent act or failure to act of OSC. 2. the opportunity to take over, settle, or defend any such action, claim, suit, or proceeding at Contractor's sole expense; and
3. reasonable assistance in the defense of any such action, claim, suit, or proceeding at the expense of Contractor.

Notwithstanding the foregoing, the State reserves the right to join such action, claim, suit or proceeding at its sole expense, if it determines there is an issue involving a significant public interest.

- C. For all other claims, liabilities, and expenses arising under or related to this Agreement where liability is not otherwise set forth in this Agreement as being without limitation, and regardless of the basis on which the claim is made, the Contractor shall be liable for any act or omission of the Contractor and its Staff, in an amount not to exceed, in aggregate, the greater of the dollar amount of this Agreement, or two times the charges paid to the Contractor. The Contractor shall not be responsible for loss of records or data unless the Contractor is required to back-up the records or data.
- D. Notwithstanding the above, neither party shall be liable for any consequential, indirect, or special damages of any kind that may result directly or indirectly from such performance, including, without limitation, damages resulting from loss of use or loss of profit by OSC, the Contractor, or by others.
- E. OSC may, in addition to other legal remedies available to it, retain from amounts otherwise due Contractor such monies as may be necessary to satisfy any claim for damages OSC may have against Contractor.

- E. If OSC preliminarily determines the Contractor to be non-responsible, State shall provide written notice to the Contractor detailing the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard before the determination is finalized.
- F. Upon a Determination of Non-Responsibility of the Contractor, OSC reserves the right to terminate this Agreement for cause pursuant to Section XVII. "Termination and Suspension."

The Contractor shall cooperate to the fullest extent with any successor contractor in order to accomplish a smooth and orderly transition, so that the Services are uninterrupted and are not adversely impacted.

OSC PROCUREMENT INTEGRITY PROCEDURES

In order to ensure that procurements of goods or services¹ by the Office of the State Comptroller (OSC) or the Common Retirement Fund (CRF) are conducted in a fair, equitable and open manner, the procedures set forth below shall apply to the procurement process.

The General Counsel to the Comptroller shall have general responsibility for the prevention of improper influence relative to all procurement contracts awarded by OSC or CRF.

A copy of these Procurement Integrity Procedures will be given to every OSC employee, consultant, or other person assigned to any task related to an OSC or CRF procurement. A copy of these procedures will be incorporated into every Request for Information (RFI), Request for Proposals (RFP) or Invitation for Bids (IFB) issued by OSC or CRF.

Any OSC employee who violates these procedures may be subject to disciplinary action, such as a reprimand, suspension, demotion, or dismissal. Any vendor who violates these procedures may, after notice and an opportunity to be heard, be determined to be a non-responsible vendor, and on the basis of such a determination may be ineligible to receive a contract award.

Every reasonable effort will be made to assure compliance with these procedures, but a minor deviation from these procedures that does not impair the fairness and integrity of the procurement process will not require the invalidation of a contract award.

1. OSC employees must provide every interested vendor² with an equal opportunity to compete. No information may be given to one vendor without being made available to all other interested vendors. Vendors should be asked to submit every substantive question³ concerning the procurement in writing not later than the date specified by OSC for such questions; and a copy of each question, together with OSC's written answer, should be supplied to all interested vendors and included in the procurement record.
2. Unless otherwise directed by the General Counsel to the Comptroller, OSC's Assistant Comptroller for Administration or a designee will serve as the coordinator for all procurement-related contacts between OSC personnel and vendor personnel. All telephone calls, correspondence, and meeting requests must be routed to: Assistant Comptroller for Administration, Office of the State Comptroller, 110 State Street – 13th Floor, Albany, NY 12236, telephone: (518) 474-7574, Fax: (518) 473-9377, Email: RFP@osc.state.ny.us. OSC's Assistant Comptroller for Administration, or a designee, will maintain a record of all such contacts.
3. A vendor may not exert or attempt to exert any improper influence⁴ relating to the vendor's

¹ These procedures apply to determinations by OSC or CRF to award a contract for the acquisition of any goods, services, or information technology, except that they do not apply to (i) decisions to invest or disinvest CRF assets in securities, properties, or other investment vehicles, (ii) selections of investment advisors or managers whose services are integral to the administration of CRF investments, and (iii) selection of counsel to represent the CRF in transactional, investment or litigation matters. Such CRF investment decisions and selections remain subject to the Comptroller's fiduciary responsibilities, and are to be made in a fair and equitable manner in accordance with those responsibilities.

² For the purposes of these procedures, the term "interested vendor" means a person or firm that has received or requested a Request for Information (RFI), an RFP, or an IFB issued by OSC or CRF.

³ For the purposes of these procedures, the term "substantive question" means an inquiry concerning a material requirement of the procurement process, such as a technical specification or a financial prerequisite. The term does not apply to ministerial matters, such as the time and place or manner of submitting a bid or proposal.

⁴ For the purposes of these procedures, the term "improper influence" means any attempt to achieve preferential, unequal, or favored consideration of a bid or proposal based on considerations other than the merits of the proposal, including but not limited to, any conduct prohibited by the Ethics in Government Act, as set forth in Public Officers Law sections 73 and 74.

bid or proposal. Any OSC employee who has direct knowledge of any improper influence or attempt to exert an improper influence concerning a procurement contract shall immediately make a record of the improper influence or attempted improper influence and notify the General Counsel to the Comptroller. The General Counsel to the Comptroller shall thereupon cause an investigation to be made and shall recommend such action, if any, as may be necessary.

4. Unless otherwise directed by the General Counsel to the Comptroller, OSC's Assistant Comptroller for Administration or a designee will be responsible for approving and scheduling all contacts between OSC employees and vendor personnel concerning procurements.
5. Vendors are expected to obtain information relating to an OSC or CRF procurement only from an OSC employee or other person designated by OSC. Vendors who seek information from other sources are cautioned that they rely on such information at their own risk.
6. Every IFB and RFP shall require vendors to identify in their bids or proposals the persons authorized to represent the vendor by name, address, telephone number, place of principal employment and occupation. This requirement applies not only to vendor employees involved in the submission of the vendor's bid or proposal but also to every individual or organization employed or designated by the vendor to attempt to influence the procurement process⁵. If, after submission of a bid or proposal, a vendor retains an individual or organization to attempt to influence the procurement process, then the name, address, telephone number, place of principal employment and occupation of such individual or organization shall be disclosed in writing to OSC or CRF prior to any contact with OSC or CRF and such disclosure shall be included in the procurement record. IFBs and RFPs shall require that vendors indicate in their bids or proposals or subsequent disclosures whether each contact individual or organization has a financial interest in the procurement.
7. All contacts between OSC personnel and vendor personnel during which a procurement-related matter is discussed in any way must be by telephone, in writing, or in person at the place of business of OSC or the vendor or at a place designated by OSC. Written documentation of all such discussions must be filed by the Assistant Comptroller for Administration or designee in the procurement record.
8. During the procurement process no lunch, dinner, or other meal shall be accepted by a member of the OSC staff from an interested vendor, except that a presentation, interview or similar session occurring at the place of business of OSC or a vendor or at a place designated by OSC may include a refreshment break.
9. The evaluations of competing bids or proposals and the recommendations and deliberations of OSC evaluation or selection committees shall be based solely on the merits of the bids or proposals, free from any improper influence.
10. Prior to the public release by OSC or CRF of an Invitation for Bids (IFB) or Request for Proposals (RFP), no OSC employee may disclose the contents of any portion of an IFB or RFP to any person not employed by OSC or any other person not authorized by the Assistant Comptroller for Administration or designee unless such disclosure is specifically authorized by the Assistant Comptroller for Administration, who shall only authorize such disclosure if he or she determines that such disclosure will not impair the fairness and integrity of the procurement process.

⁵ For the purposes of these procedures, the term "attempt to influence the procurement process" means any attempt to influence any determination by OSC or CRF by a person other than an OSC employee with respect to (i) the solicitation, evaluation or award of a procurement contract; or (ii) the preparation of specifications or request for submissions of bids or proposals for a procurement contract.

11. The evaluation of competing bids or proposals shall be conducted strictly in accordance with the detailed evaluation and selection procedures documented in the procurement record prior to the initial receipt and opening of the bids or proposals. The Assistant Comptroller for Administration or a designee shall issue the detailed evaluation and selection procedures to the members of the evaluation and selection committees prior to the distribution of the bids or proposals to the committee members for evaluation.
12. During the evaluation and selection phases of the procurement process, no OSC employee may disclose any part of a bid or proposal to any other person, except that (i) a member of an evaluation or selection committee may discuss a proposal with another member of the same committee, and (ii) a member of an evaluation or selection committee may disclose a proposal or a portion of a proposal to a person assigned to assist in the evaluation or selection process, as described below.
13. With the approval of the Assistant Comptroller for Administration or designee, evaluation or selection committees may appoint OSC employees or other experts to provide supporting services or information to assist in the evaluation of proposals and the selection of a contractor.
14. At the discretion of the Assistant Comptroller for Administration or a designee, any person to whom a bid or a proposal or a portion of a bid or a proposal is disclosed may be required to comply with a written non-disclosure or confidentiality agreement setting forth the terms and conditions under which such person is entrusted with the bid or proposal or portion thereof.
